

Instructions for Africa Station (2)

Each team member gets a copy of the map of Africa from the folder in the kiosk. Then give each person a textbook and go and get the emergency map pencil box from your Africa shelf.

Step 1 - Give each member a textbook and turn to p. RA21. You may also use the atlases in the bookcase by your station (see page 74.)

Step 2 - TODAL

- Create a **title** for your map.
- **Orient** your map with a compass rose pointing in the correct direction.
- Create a **date** for your map.
- Write your first and last **name** on the map (you are the author.)
- Create a legend with the following symbols:

Mountains

Desert

River

City

Capital

Step 3 - Using a black ink pen draw in and label the following: The Atlas Mountains, Sahara Desert, Kalahari Desert, Congo River, Cairo, Lagos, Cape Town. USE THE SYMBOLS FROM THE LEGEND. Water: Indian Ocean, Atlantic Ocean, Red Sea, Mediterranean Sea.

Step 4 - Color as you see fit. You can use color to highlight physical features. What is important is that the entire map is covered with color. Don't leave any white space. Color all water **blue** (this includes rivers).

Step 5 - Glue the map to p. 17 of your interactive notebook.
