

Adverbs

Adverbs describe (spice up) V, ADJ, and other ADV.

Adverbs answer:

- How? (Buster ate hungrily.)
- When? (The math test will be given tomorrow.)
- Where? (The parrot flew outside.)
- How often? (He always makes me laugh.)

Do not mix up adverbs and adjectives.

Ex: quick is an ADJ.....quickly is an ADV.

≠ ~~The girl ran home quick.~~

(ADJ used incorrectly as ADV)

+ The girl ran home quickly. (ADV)

+ The quick girl ran home. (ADJ)
