

Explorer Project Instructions

You will draw your explorer from the “hat”

You will research your explorer using the sources provided.

You will create a tri-fold brochure about your explorer.

You will share your information about your explorer with other students in the class.

Tri-Fold Instructions

Front: Explorer’s Name and Picture

Inside Left panel: Brief biography of the explorer. Include such things as
When and where born
Family information
Other things he did besides main exploration
Where did he live
When and where he died

Inside Middle panel: Description of exploring experience including significant events that occurred during the trip

Inside Right panel: Map of area he was NOTED for exploring

Back flap: Pictures of area he explored and/or other interesting information

Back side of middle panel: student name, date & period

Add other illustrations as appropriate

Minimum visuals: explorer’s picture
Map of explorations
3 other illustrations

Grading Rubric is on the back of this sheet
